

## Sierra Wireless AirLink® Dome Mag Mount Adaptor

### AirLink® Antenna: Dome Mag Mount Adaptor

For use with the Dome Antenna range of low profile MiMo antennas, the Dome Mag Mount Adaptor provides a magnetic mount solution for antenna trials and drive-testing.

Using three heavy duty magnets fitted to a stainless steel metal plate, this is a very easy, simple and quick solution that can be fitted anywhere on the vehicle to evaluate the antennas performance without drilling any holes.
